HISTORICAL NOTE

THE Massachusetts Society of Mayflower Descendants was founded by its first, and only, Secretary and was organized on Saturday, 28 March, 1896, at the Hotel Vendome, Boston.

The Society has elected fourteen hundred and five (1405) members; there have been 187 deaths; and 147 names have been dropped from the roll. There have been 291 resignations in the twenty years of the Society's existence, but many of these members had previously joined newly formed State Societies.

The net membership of the Massachusetts Society on 1 March, 1916, is 783.

Every one of the 49 Mayflower Passengers from whom descent can be proved is represented in the membership of the Society, and its 1,405 members have filed 2,778 lines of Mayflower descent, one member having proved 35 different lines, from 10 Mayflower families.

In October, 1896, the Massachusetts Society leased an office in the Tremont Building, Boston, and remained there nearly seven and one-half years. In February, 1904, it removed to much larger and pleasanter rooms, at 53 Mt. Vernon St., Boston, which it still occupies.

The Massachusetts Society began, with the January, 1899, issue, the publication of "The Mayflower Descendant, A Quarterly Magazine of Pilgrim Genealogy and History," which quickly became the recognized authority in its special field; and in March, 1913, began the publication of a second periodical, "Pilgrim Notes and Queries," issued eight months in the year. Further information about these periodicals, and other Society publications, will be found on pages 10 and 11.

At the Fifth Annual Meeting of the Massachusetts Society, on 21 November, 1900, at the suggestion of its Secretary, it was voted to begin preparations for publishing in 1920, in commemoration of the Pilgrim Tercentenary, a series of memorial volumes of Pilgrim genealogy and history. This series it was later decided to name "The Mayflower Genealogies."

This date, 21 November, 1900, just twenty years before the Three Hundredth Anniversary of the Signing of The Compact, is the earliest date known to the Society on which any organization of any kind passed a formal vote to begin preparations for the Pilgrim Tercentenary. A notice of this vote will be found in the January, 1901, issue of "The Mayflower Descendant." [Vol. III, p. 57.]

LIBRARY AND CABINET

LIBRARY

The Society's Library now contains about fourteen hundred and fifty (1,450) volumes of genealogical and historical works, which the members may consult at the Society's Rooms.

Nearly all of these books have been received as gifts, or in exchange for the Society's own publications.

Gifts of cash for the purchase of additional books, for the rebinding of the many books now in poor condition, and for the purchase of additional book-cases, are greatly needed.

Gifts of genealogies and town histories, or of any books relating to the Pilgrims and their descendants, are solicited. Duplicates of books already on our shelves will be gladly received, as they can be exchanged for books we could not otherwise secure.

CABINET

The Massachusetts Society of Mayflower Descendants owns a very interesting and valuable collection of relics, some of which were directly connected with Mayflower Passengers.

This collection now includes about 1,000 original documents, such as wills, deeds, diaries, family records, etc., many of them dated before 1750; also many photographs of original documents, bible records, gravestones, etc.

Of especial interest may be mentioned:

A copy of Thomas Cartwright's "A Confutation of the Rhemists," printed at Leyden, Holland, by Elder William Brewster, in 1618.

A copy of David Calderwood's "Perth Assembly," printed at Leyden, Holland, by Elder William Brewster, in 1619.

An original deed of land, dated 25 March, 1650, with the autograph signature of Samuel² Fuller (*Edward*¹), the Mayflower Passenger.

An original deed of land, dated 1 October, 1651, with the autograph signature of Resolved² White (*William*¹), the Mayflower Passenger.

"The Brewster Book," a blank book containing a continuous family record in the Brewster and Fitch families, covering more than 300 years, from 1593 to 1897.

The greater part of the Diary of Jabez Fitch, Jr., begun in 1757 and continued until a few days before his death, in 1812.

“THE MAYFLOWER GENEALOGIES”

For twenty years the Editor has been compiling, from original records, “The Mayflower Genealogies,” in which it is planned to include, as far as possible, all proved descendants of the Mayflower Passengers.

Lack of funds has made progress very slow; but numerous important discoveries have been made, which have opened up hitherto unknown lines of descent from Mayflower Passengers; and a large number of false claims of Mayflower descent have been exposed.

Of the hundreds of claims of descent approved by the Massachusetts Society, in the past twenty years, only about one-twentieth ($\frac{1}{20}$) of one per cent have later been found incorrect, and the correction, in every case, has been the result of the Society’s researches.

The system developed by the Editor for collecting, recording and indexing the data for “The Mayflower Genealogies” saves a great amount of unnecessary duplication of effort and consequent waste of money.

Some idea of the great saving resulting from the compilation of the genealogies of all of the twenty-two Mayflower families under one control, may be gained from the statement that any one attempting to compile a genealogy of all descendants of Myles Standish, for instance, must include in the work a large fraction of the descendants of John Alden and many descendants of Edward Doty.

There are at least seventy other instances of children and grandchildren of the Mayflower Passengers marrying; and the unions in later generations are very numerous. If, therefore, twenty-two different persons undertook to collect the descendants of the Mayflower Passengers, each person working independently on a different Mayflower family, the waste of time and money, not to mention the wear and tear on the old records, would be enormous.

Liberal cash gifts to pay the expense of future researches are greatly needed. Remittances should be made payable to the Society; and communications about the work should be addressed to the Editor.

GENEALOGICAL RESEARCH

FOR some years a large proportion of the expense of the Massachusetts Society's research work has been defrayed by fees for genealogical investigations made in behalf of members and non-members.

Every such investigation adds valuable material to the Society's collection of data for "The Mayflower Genealogies," and the person who pays for a search has the advantage not only of the Society's unequalled accumulation of material (much of which has been card indexed), but also of the Editor's familiarity with the records and the families of the Old Colony territory.

All fees for investigations are added to the Massachusetts Society's Colonial Research Account, and are used exclusively in extending its work of identifying the descendants, in all lines, both male and female, of all the Mayflower Passengers.

Unrestricted gifts of money for research work are especially needed; but gifts, or payments, to be used in solving specific problems, or in copying for publication interesting wills and inventories, conveyances of land, etc., relating to the ancestors of the person supplying the money, will be of much assistance.

The Society already owns thousands of abstracts of wills; deeds; court records; town records of births, marriages and deaths; church records of baptisms, marriages and deaths; gravestone records; bible records; etc., nowhere to be found in print.

It has also, in "The Mayflower Genealogies," many lines of Mayflower descent that have never been published.

All remittances should be made payable to the Society; and communications should be addressed to the Editor.

The Entrance Fee and the Annual Dues for the current fiscal year shall be deposited with the Secretary when the Preliminary Application is filed.

After the Membership Committee has approved a Preliminary Application the Pedigree Papers shall be issued. If the Pedigree Papers are not filled out in duplicate and filed with the Secretary within six months after the approval of the Preliminary Application such approval shall become void.

After the pedigree has been examined by the Historian the application shall be laid before the Board of Assistants, who shall vote upon it by secret ballot, and two negative votes shall reject.

SECTION 3. Members who have not paid their Annual Dues by the fifteenth day of April in any year shall be notified of the fact by mail, to their last known address; and members who are in arrears on the first day of May shall be debarred from the privileges of membership; and the membership of those not paying before the fifteenth of May shall cease on that date; provided, however, that the Board of Assistants may remit the penalty for any good and sufficient reason.

The Board of Assistants shall have power to make rules governing the re-admission of former members, whose names have been dropped from the roll for non-payment of annual dues.

SECTION 4. Any person who has made notable contributions to the history or the genealogy of the Mayflower Pilgrims, or who has performed distinguished public service, may be elected an Honorary Member of this Society, provided, that his descent from a Mayflower Passenger has been established, in accordance with the rules of the Society, before such election is proposed.

The candidate shall be voted upon by secret ballot, and a two-thirds vote of those present and voting, a quorum being present, shall be necessary for approval. The name of any candidate approved by the Board of Assistants shall be reported to the next business meeting of the Society, for election.

But no member shall be suspended or expelled unless written charges against such member have been presented to the Board of Assistants, who shall give him reasonable opportunity to be heard and to refute such charges.

SECTION 6. No person who may be enrolled as a member of this Society shall be permitted to continue in membership if his proofs of eligibility shall be found to be defective. The Board of Assistants, after thirty days' notice to such person to substantiate his claim, and upon his failure to do so, may require the Secretary to erase his name from the membership roll.

SECTION 7. The Board of Assistants shall have power to make rules governing the admission of members by transfer from an affiliated Society of Mayflower Descendants in another State, and may in their discretion remit the entrance fee and annual dues of such applicants for membership.

SECTION 8. Any member may withdraw from the Society, after the payment of all dues, by giving written notice of his resignation to the Secretary; but, unless such resignation shall be received before the first day of March in any year, the member so resigning shall be liable for the dues of the fiscal year beginning that day.

The Board of Assistants shall have power to make rules governing the re-admission of former members who have resigned their membership while in good standing.

Members elected before 28 March, 1912, may, on written application to the Secretary, be transferred to the class of members paying annual dues of five dollars and receiving without additional charge the Society's magazine, The Mayflower Descendant.

Members elected before 28 March, 1912, may, if they choose, continue to pay annual dues of three dollars, on the first day of March in each year; but the payment of this amount shall not entitle such members to receive The Mayflower Descendant without extra charge.

Members elected in the months of December, January and February shall not be required to pay annual dues on the first day of March next ensuing.

The payment at one time of the sum of one hundred dollars shall exempt the member so paying from all future annual dues, and shall constitute him a Life Member. All Life Members may receive The Mayflower Descendant without extra charge.

Members who file supplemental lines of descent shall pay an examination fee of two dollars for each line filed, such fee to be paid when the papers are deposited with the Secretary.
